Hi Fe

Personal Matters/Ex. 6

I will be serving as the planning section chief for the ongoing gold king response and am working to get up to speed.

I will be forwarding you some documents this morning and ask that you print them and put them

in a three ring binder (which 8 can provide if you don't have o e)

Ideally I would like to get this from you sometime between 730 and 8.

I know this is a short timeline request. Any help you can provide on such short notice is appreciated

I am on my way in to the office .

Thanks!

Kathryn Lawrence
